TEAM MEMBER EXPECTATIONS: As a team member, you are expected to support the weekend through prayer, and through your time, talents, and treasure. Attendance at all 4 team training meetings is expected, and attendance for the full weekend (Thursday afternoon through post-Clausura clean-up on Sunday) is **required**. A donation of \$150 (due by the first team training meeting) is requested of all lay team members. **Please check here if you desire financial support.** You will be contacted regarding a possible partial or full scholarship. One Secretariat scholarship per family, per year, is available. Team scholarships are also occasionally available, but are not to be relied upon, and should be discussed with or requested directly from the rector/an or team treasurer prior to accepting a call to serve.

NOTE: Though not prohibited, it is **strongly suggested** that team members **not** serve as pilgrim sponsors on the weekends they are serving.

I recognize and affirm Jesus Christ as my personal Lord and Savior and have made a real commitment to direct my life to God. I am fully committed to pray for the Pilgrims and the Team. Additionally, I will commit to 30+ hours of team preparation meetings over a 4-week period prior to the weekend. The expectation is that you will be present at all four team trainings and any additional meetings pertinent to your task on the weekend. If you cannot make this commitment, you should not apply to work.
